The 5th Asia CEO Awards formally opened its doors for nominations, with the awarding ceremony scheduled in November 2014 under the theme “Emerging Asia.”

Asia CEO Awards board of judges chairman Richard Mills said during the media launch at the Raffles and Fairmont Hotel in Makati City the inspiration behind the theme “Emerging Asia” would be even more significant with the upcoming Asean integration in 2015.

“The integration will have a profound impact on the economies of the region and particularly so for the Philippines,” said Mills.

“All business leaders have their eyes on the Philippines as a business destination and want to know who is doing what here,” Mills said.

Asia CEO Awards 2014 and its brand new title sponsor, PLDT Alpha Enterprise, will have 10 categories this year, including two new award categories: hospitality award and first carbon solutions green company of the year.
